

Kingston Jr. Ponies Baseball Club

2026 Competitive Sponsorship Opportunity

The 2026 baseball season begins shortly and I am proud to have earned a chance to represent the Kingston Jr. Ponies Baseball Club. Our four teams that range from 14U- 18U will represent Kingston in the Premier Baseball League of Ontario (P.B.L.O.). In addition to hosting over 20 home games, we will travel and compete with elite teams across Ontario and the U.S. The P.B.L.O. has a rich history of college placements, producing more than 500 college baseball players, highlighting the emphasis on academic success in addition to athletics.

The Kingston Jr. Ponies Baseball Club offers small businesses and corporate partners an excellent opportunity to connect with their community. Sponsoring a baseball player is a great way to support youth sports and develop relationships with members. Competitive sports develop many skills beyond a focus on baseball. The team atmosphere and structure builds character in our young people through responsibility, teamwork, commitment, and sportsmanship. In addition, our high level of play requires us to represent our city and organization positively and respectfully. **Sponsorship is a vital part of a team's existence, and I am forwarding this to you to ask for your support.**
